### Further information

- Each presenter has a time slot of 15 minutes for her/his presentation with 10-15 minutes for Q&A afterwards.
- Presenters are asked to assemble in the conference room 15 minutes before their session starts to ensure a smooth (technical) set-up.
- Technical equipment such as a projector, laptop, and loudspeakers will be available. Please make sure to save your files in .doc or .ppt format on a flash drive; Mac users need to use Office for Mac. Also, let us know if you need any additional equipment.
- The exact order of presenters is reflected in the sessions-description above.
- While refreshments will be served with no additional charge during the coffee breaks, all other meals have to be provided for by the participants themselves.
- Graduate students interested in attending the conference are asked to RSVP with specifics on which sessions they will attend as there are only limited spots available.
