

REGISTRATION INFORMATION SHEET SUMMER TERM 2014

Please also see the university's overview page for dates and deadlines concerning registration.

I) BA American Studies Kernfach

For modules in your **major** American Studies, please enroll via TOOL between **March 26, 9 am and April 6, midnight**. For parallel courses, choose early to get the seat you want. Once your registration procedure is finalized you are automatically enrolled for the respective module exam. For your **minor** (Wahlbereich), browse the university's course listings and use the TOOL to select four modules for the Wahlbereich and three for the "Schlüsselqualifikationsmodule" (SQM) for which you want to apply. The order of your list automatically serves as your priority list. You need to do this **between March 26, 9 am and April 2, 5pm**. Starting **April 3, 1pm**, you will need to confirm your selection of modules.

See the second page of this document for **more information** depending on your entering class cohort!
