PROF. CRISTER S. GARRETT (Leipzig University)

"Barack Obama, and Real Change? American Foreign Policy During the Obama Presidency"

Why has there apparently been so little change under Barack Obama, or, why is it so hard for an American president to shift the country's international conduct quickly and clearly?

PROF. PAUL S. RUNDQUIST (Martin Luther University of Halle-Wittenberg)

"Barack Obama and the American Presidency: The Struggle to Change the Country"

Why is it so challenging for an American president to carry out significant change in the country for which he has been elected chief executive?

MARIA LIPPOLD, M.A. (Leipzig University)

"Teaching America: E-Teaching, E-Learning, Best Practice"

This workshop introduces teachers to the ASL online portal 'Teaching America,' its content and structure, and its numerous benefits for English teachers.
