## Registration for Classes

Most classes require prior registration. To learn more about registration procedures for students in different ASL programs (Magister, BA, MA; service for Lehramt), please have a look at the **Registration Information Sheet** available by March on the American Studies Website. As access to some classes is quite competitive, please take the procedures and deadlines for prior registration seriously.

## American Studies Modules

Modules in the BA and MA programs are designed to achieve specific **learning goals**, they entail a specific amount and specific types of **coursework** and **examinations**, and they may have **prerequisites**. To learn more about these, we strongly encourage you to have a look at our program's Module Catalog ([BA](#); [MA](#)) and at the appendix to our Conditions of Study ([BA](#); [MA](#)).

## International Students

International Students are very welcome in the courses offered by the Institute for American Studies. To learn more about places available in individual courses, please contact the instructor, and describe your situation briefly (i.e., exchange student, international guest student, participating in an international degree program). We will do our very best to include you in our courses.
