

REGISTRATION INFORMATION WINTER TERM 2011/2012

I. MAGISTER

As a rule, classes for Magister Hauptstudium require **prior enrollment**. Enrollment procedures are specified in each course description (please see the [course catalog](#) in late September/early October).

II. BA - AMERICAN STUDIES MAJOR (Kernfach)

BA students who wish for more extensive advising on their study options for the upcoming semester are encouraged to attend the office hours of one of the [program's advisors](#).

For modules in your major American Studies, please **enroll via e-mail at asl-enrollment@uni-leipzig.de between September 28 and October 2**. For further details, please check below for the information pertaining to your specific BA year (Entering Class of 2011 etc).

Enrollment for your Major (Kernfachmodule)

First-year BA Students (Entering Class of 2011):

In the upcoming semester, you will attend **Literature & Culture I** and **iTASK** as compulsory modules. Students are guaranteed a place in these modules. In the Literature & Culture I module you may choose between three parallel sections offered for the module's seminars and tutorials (Übungen).

Both registration for LCI and iTASK courses, and registration for **Wahlbereich** and **Professional Skills Modules** (SQM), will be taken care of during the ASL Student Orientation (October 5 and 6).

Second-year BA Students (Entering Class of 2010):

You may attend **Society, History, and Politics II** and/or **Language & Society - Applied Linguistics (LS II)**. Please keep in mind that the Prüfungsordnung asks you to attend three out of the four core elective modules (Wahlpflichtmodule) offered during the program's second year. However, *you are free to attend all four core electives and use the extra module to replace one Wahlbereichsmodul*. **In case you want to have one of these modules count toward your Wahlbereich, please use the [TOOL](#) to apply for it!**

For enrollment in the modules as Kernfach modules, you are asked to write an **e-mail to asl-enrollment@uni-leipzig.de between September 28, 9 am and October 2, 5 pm**. As subject header, please use **"2nd year BA"**; in the body of your mail, please give

- the titles of the American Studies modules in which you wish to enroll (SHP II and/or LS II)
- for the SHP II module, the seminars which you would like to attend. Preferences will be accommodated on a first-come, first-served basis.

In case you want to have one of these modules count toward your Wahlbereich, you have to designate this module in your e-mail by putting "WB:" in front of the module line. Note: You will then still have to use the [TOOL](#) to apply for them!

Third-year BA students (Entering Class of 2009):

You will attend the **Project Module** as a compulsory module. You are guaranteed a place in this module and therefore a place in **one of the three parallel colloquia** offered. However you are asked to provide a list of preferences (for example, (1). Prof. Koenen (2). Prof. Pizarz-Ramirez (3). Prof. Garrett) as each colloquium can only admit a limited number of students.

For enrollment in the modules, you are asked to write an **email to asl-enrollment@uni-leipzig.de** between **September 28, 9 am and October 2, 5 pm**. As subject-header, please use "3rd year BA"; in the body of your mail, please give
